9. MANAGEMENT DISCUSSION AND ANALYSIS

(a) Industry Structure and Developments:

The Economic Survey of India reports the India GDP growth for fiscal 2015-16 at 7.5% making it the fastest growing economy in the world. The effect of gradual implementation of structural reforms is also expected to contribute to higher growth due to major reforms including progress on reforms like Goods and Service tax.

The Indian economy is still volatile in financial year 2015-16, in spite of the fragile business conditions, your company has maintain its presence in the domestic as well as international market. Your company has continued to invest in expansion of our manufacturing and engineering capabilities.

With our comprehensive product range and long years of experience, your company continues to be a preferred supplier for many major customers for a wide range of industry segment for vacuum products.

Engineering Business:

The overall business condition of engineering business has remained stagnant for the year under review. Your company's performance is satisfactory compared to the performance of the engineering sector.

Your company has successfully dispatched a large four stage Evaporator system which was supplied for installation at a Common Effluent Treatment Plant (CETP) and it has been successfully commissioned in the year under review. Your company is expecting additional orders from this CETP as well as from other CETPs.

Food Business:

The food division this year has performed very well owing to its outreach to new customers in U.A.E. and Europe. The supply in the domestic Indian market has grown steadily with BCool becoming a recognizable brand in the South of India.

Additionally, your company has also focused on promoting new products which were developed last year including Mango chutney. This product has also shown a lot of promise with repeat orders and increased volume demand from the customers. Your company has broadened natural flavouring and essence range by increasing the number of products offered in its natural range. Your company will soon be shifting to a larger and better manufacturing premises. This will help your company further expand all product types. This additional capacity will enable your company to diversify into new food products and add entirely new product lines to the existing range.

Your company is adding British Retail Consortium (BRC) certification to its quality certificates. Your company has increased and expanded its quality control by purchasing new testing machinery for in-house testing. Your company is also now getting its products externally tested on a regular basis to ensure that our customers receive the highest quality products.

(b) Segment-wise Performance:

Your company has divided the business in two segments i.e. Engineering Division and Food division.

Due to overall adverse conditions in the engineering sector, your company's performance in the engineering segment shows increase in turnover by 3% and the profit in the engineering segment has increased by 4%.

The food business has done exceptionally well in this year which is reflected by an increase in turnover by 8% and profits by 154% due to favourable conditions. The increase in profits in the current year vis a vis the previous year look out of proportion mainly due to a major write off in the previous year related to one defaulting customer.

(c) Outlook:

The outlook for the financial year 2016-17 is optimistic with the GDP growth rate projected to be around 7.5%. As per the Government Report, the slow but steady improvement in size of the Indian economy is likely to continue in 2016-17.

Your company will continue to focus on revenue growth through in house product research facility and addition of new products to our current line of business. Cost reduction will continue to be focus area to ensure profitability.

The process of the land purchasing for setting up the manufacturing facility is completed in the month of July 2016. The setting up of new manufacturing unit will commence shortly.

Trials with new type of absorbent are going on with the technology partner 'CNIM' for design and manufacturing of Absorption Refrigeration Units.

The new technology and know-how derived from the Spanish company for Freeze Crystallization System for Zero Liquid Discharge is picking up and your company has dispatched one of the equipment to a Pharmaceutical Company. Another system to one of the reputed client in the Agro Industries will be dispatched during the current financial year. These systems are useful for effluent treatment and achieve Zero Liquid Discharge (ZLD) in agro chemical, chemicals, pesticides and other related industries.

Your company has received a large order for Electro Static Precipitator (ESP) for supply to Soda Ash Industry.

(d) Threat and concerns:

The primary threat continues to be the slow improvement of business sentiment in the engineering products. The revival of the capital intensive projects is key to the success of our company.

However, your company is securing customer orders with superior product quality and strong brand image in the engineering business. Our continuous focus on innovation and upgradation of the technology ensures that we stay ahead in the competition.

(e) Internal control systems and risk management:

The company's management is responsible for establishing and maintaining an adequate system of internal controls over financial reporting. INDEPENDENT AUDITORS' REPORT

**TO THE MEMBERS OF
MAZDA LIMITED**

REPORT ON THE STANDALONE FINANCIAL STATEMENTS

We have audited the accompanying standalone financial statements of Mazda Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the year ended on that date.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ("the order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the "Annexure-A" statement on the matters specified in paragraph 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Profit and Loss Statement, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies(Accounts) Rules, 2014;
- e) On the basis of the written representations received from the directors as on March 31, 2016, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies(Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements as referred to in Note 31 of notes to the financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, and as required on long-term contracts including derivative contracts.

ANNEXURE-B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Mazda Limited ('the Company') as of 31 March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31ST MARCH, 2016

1 CORPORATE INFORMATION

Mazda Limited (the 'Company') is a public limited company incorporated in 1990 under provisions of the Companies Act, 1956. The Company is an Engineering company engaged in the business of manufacturing and sales of Vacuum Systems, Condensers, Steam Jet Ejectors, L.P. Heaters, H.P. Heaters, Evaporators and Pollution Control Equipments. The Company's Head Quarters and four manufacturing plants are located in Ahmedabad, Gujarat State. The Company sells its products in the domestic as well as export markets. The equity shares of the Company are listed on the Bombay Stock Exchange Limited(BSE) and Ahmedabad Stock Exchange Limited(ASE).

2 SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on accrual basis, except for certain financial instruments which are measured at fair value.

(b) Use of Estimates

The preparation of financial statements in conformity with GAAP requires judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known/materialised.

(c) Tangible Fixed Assets

Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises Purchase Price, Borrowing Costs if capitalization criteria are met and any other directly attributable cost of bringing the asset to its working condition for the intended use, net off of any trade discounts and rebates.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

Capital assets under erection/installation are stated in the Balance Sheet as "Capital Work-in-Progress".

(d) Intangible Assets

Intangible assets are recorded at the consideration paid for acquisition of such assets and are carried at cost less accumulated amortization and impairment. They are amortized on a straight line basis over their estimated useful lives.

(e) Research and Development

Revenue expenditure pertaining to Research & Development is charged to revenue under respective heads of accounts in the year in which they are incurred. Capital Expenditure on Research & Development is shown as an addition to Fixed Assets.

(f) Depreciation and Amortisation

In respect of fixed assets (other than capital work-in-progress) acquired during the year, depreciation /amortisation is charged on a straight line basis so as to write off the cost of the assets over the useful lives and for the assets acquired prior to April 1, 2014, the carrying amount as on April 1, 2014 is depreciated over the remaining useful life based on an evaluation. The useful life of the asset is determined as prescribed in Schedule II to the Companies Act, 2013.

(g) Impairment of Assets

The company assesses at each Balance Sheet date whether there is any indication that any asset may be impaired. If any such indications exist, the carrying value of such assets is reduced to its estimated recoverable amount and the

amount of such impairment loss is charged to Profit and Loss Account. If at the Balance Sheet date there is an indication that previously assessed impairment losses no longer exist, than such loss is reversed and the asset is restated to that effect.

(h) Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term. All leases are cancellable in nature and subject to renewal each year.

(i) Investments

Investments, which are readily realisable and intended to be held for not more than a year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

(j) Inventories

Inventories include raw materials, bought out components, work-in-progress and manufactured finished goods.

(i) Finished products Finished products produced by the Company are valued at lower of cost and net realizable value. Cost includes direct materials, labour, a proportion of manufacturing overheads and Excise duty has been charged on finished goods.

(ii) Work in Progress Work in Progress is valued at cost of direct materials, labour and other Manufacturing overheads up to estimated stage of process.

(iii) Raw materials and stores and spares Raw materials and stores and spares are valued at Lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. The cost is determined using First in First out (FIFO) method.

(k) Revenue Recognition

Revenue is recognized based on the nature of activity when consideration can be reasonably measured and there exists reasonable certainty of its recovery :

(i) Sale of Goods

Revenue is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of goods. Excise Duty deducted from turnover (gross) are the amount that is included in the amount of turnover (gross) and not the entire amount of liability arised during the year. Excise duty is accounted on the basis of both, payments made in respect of goods cleared and also provision made for goods lying in bonded warehouse. VAT and Sales Tax are charged to Revenue.

(ii) Interest

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

(iii) Export Incentives

Export Incentives are recognized as income when right to receive credit as per the terms of the scheme is established in respect of the exports made and when there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

(iv) Other Income

Revenue in respect of other income is recognized when no significant uncertainty as to measurability or collectability exists.

(v) Services

Income from services is recognized when the services are rendered.

(vi) Dividend

Dividend Income is recognized when the right to receive dividend is established.

(l) Expenditure during Construction period

Expenditure during construction period is included under capital work-in- progress and the same is allocated to the respective fixed assets on completion of construction.

(m) Foreign Currency Transaction

(i) Initial Recognition: Transactions denominated in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction.

(ii) Conversion: At the year end, monetary items denominated in foreign currencies other than those covered by forward contracts are converted into rupee equivalents at the year-end exchange rates.

(iii) Forward Exchange Contracts: In respect of transactions covered by forward exchange contracts, the difference between the forward rate and the exchange rate at the date of the transaction is recognized as income or expense over the period of the contract.

(iv) Exchange Differences: All exchange differences arising on settlement/Conversion of foreign Currency transactions are recognized in the Profit and Loss Account.

(n) Retirement and Other Employee Benefits

(i) Gratuity

The Group provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognized in the Statement of Profit and Loss in the year in which they arise.

(ii) Leave Encashment

Provision for Leave Encashment, which are expected to be availed and encashed within 12 months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of leave encashment as the additional amount expected to be paid as a result of the unused entitlement as at the year end. Leave encashment, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognised in the Statement of Profit and Loss in the year in which they arise.

(iii) Provident Fund

Contributions to Defined Contribution schemes such as Provident Fund, etc. are charged to the Profit and Loss account as incurred. The contributions are made to a government administered Provident Fund towards which the Company has no further obligations beyond its monthly contributions.

(o) Income Taxes

Tax Expense comprises of Current and Deferred Tax. Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. Deferred Income Taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred Income Taxes reflect the impact of Timing Differences between Taxable Income and Accounting Income originating during the Current Year and reversal of timing differences for the earlier years. Deferred Tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the

carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

(p) Earnings Per Share

The Company reports basic Earning Per Share (EPS) in accordance with Accounting Standard 20 on Earning Per Share.

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for events of bonus and preferential issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(q) Cash and Cash Equivalents

Cash and cash equivalents in the cash flow statement comprise cash on hand, cash at bank, cash on deposits with banks and corporations, short-term investments with an original maturity of three months or less and remittances in transit. The company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

(r) Derivative Instruments

The company uses foreign exchange forward to hedge its risks associated with foreign currency fluctuations. The premium or discount arising at the inception of forward exchange contracts is amortised as expense or income during the same period in which transaction occurs. Exchange differences on such contracts are recognised in the Statement of Profit and Loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or as expense for the year. The Company does not enter into forward contracts for trading or speculation purpose.

(s) Provisions and Contingent Liabilities

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. A Contingent Liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A Contingent Liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

(t) Borrowing Costs

Borrowing costs that are attributable to the acquisitions or construction of fixed assets/ qualifying assets for expansion/ new project are capitalized to respective fixed assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Other borrowing costs are charged to revenue in the year in which they are incurred.

(u) Segment Reporting - Identification of Segment

The Company's operating businesses are organized and managed separately according to the nature of products and activities, with each segment representing a strategic business unit that has different products and activities. The Company's operation predominantly relates to manufacture of Engineering Goods and the manufacturing of food products. The analysis of geographical segments is based on the geographical location of the customers where they are classified as Domestic and Overseas. Revenue and expenses, which relate to the Company as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocated corporate expenses".
